

Advertisement to fill JRF position

Applications are invited from Indian nationals for one post of JRF position to work on a research project titled "**Synthetic Oligomers as Inhibitors of Protein-DNA Interactions: Towards Novel Cancer Therapeutics**" sponsored by DST-SERB under the supervision of Dr Panchami Prabhakaran, School of Chemical Sciences, Central University of Gujarat, Gandhinagar. The requisite qualification and experience etc. are given below:

No of Post	One
Fellowship	31,000 per month + HRA (as per central government norms).
Essential Qualification	Post-graduate degree in Basic science with minimum 55% OR graduate/post graduate degree in professional course selected through a process described through any one of the following: a) Scholars who are selected through NET-CSIR, NET-UGC including lectureship (assistant professorship) and GATE. b) The selection process through National level selected through examinations conducted by central government departments and their agencies and institutions such as DST, DBT, DAE, DOS, DRDO, MHRD, ICAR, ICMR, IIT, IISc, IISER etc.
Desired Qualification	Experience in organic synthesis/peptide synthesis and purification techniques. A good academic record, inquisitiveness to do research, can work independently, good communication skills.

Application with a detailed CV including the address for communication, phone number, e-mail id, details of educational and scientific accomplishments, research work experience, list of publications etc., along with the name of at least two referees should reach the undersigned by e-mail only (panchami.p@cug.ac.in or ppy.prabhakaran@gmail.com) on or before 19-04-2019 and the tentative date of interview will be on 24-04-2019 and will be notified to the short-listed candidates through e-mail.

General Instructions:

1. The selected candidate will be appointed initially for a period of one year and extended further depending upon his/her satisfactory performance.
2. The engagement for the project is purely on temporary basis and is co-terminus with the project.
3. In addition to the regular work, the selected candidate will have to perform other duties and responsibilities as may be assigned by the PI related to the project.
4. No TA/DA will be paid for attending the interview. No other allowances are payable.
5. Only short-listed candidates will be notified.

Dr Panchami Prabhakaran
Assistant Professor
School of Chemical Sciences
Central University of Gujarat
